**Why should you hire one of our members?**

**Here are 10 REASONS WHY:**

- 1.** Gardeners must prove that they have **at least one horticultural qualification** at Level 2 or above before being accepted as a member.
- 2.** A good gardener should be easy to contact. You can **find members contact details** via our online Member Register.
- 3.** The Member Register is **actively managed** and membership is renewed annually. The Gardeners Guild is not a consumer organisation but is committed to quality through careful membership selection and ongoing refining of its members.
- 4.** We have arranged for members to have **access to affordable Public Liability Insurance**.
- 5.** We provide our members with **regular legislation updates**.
- 6.** We provide our members with **document templates** to help them comply with the law.
- 7.** We provide our members with access to a **Health and Safety advice line**.
- 8.** We provide our members with access to a **legal advice line**.
- 9.** We also arrange member surveys and manage an online forum where members can **share best practice** and plant care tips.
- 10.** We also promote and encourage attendance on **skills training courses** such as rose pruning, fruit tree pruning, propagation etc

\*Membership is for qualified individuals who manage their own business. Most of our members are sole traders. Some may have a small team or manage a local franchise. Only the named member has had their qualifications checked. The member should tell you if they plan to send you an employee or associate.
